Welcome.....

On behalf of Cheshunt Swimming Club I would like to welcome the 8 other clubs competing today in our 19th Autumn Open Meet here at Harlow Leisurezone.

Events like this cannot take place without a large body of volunteers. This includes all the officials, administrators and helpers drawn not only from our own Club but also from our friends throughout Hertfordshire and neighbouring counties. To all of them I propose a huge vote of thanks.

Many thanks go to Cheshunt Trophies for supplying the medals this year. Thanks also go to the PA services provided by After Dark, and huge thanks to Jane O'Brien our principle referee and Peter Bays our commentator.

Finally, I would like to wish all the swimmers the very best of luck and I hope that many of them make personal best times.

Thank you

Mark Nelson
Chairman

Safety at Harlow Leisurezone

1. General Safety

Everyone attending the Open Meet must ensure their own safety and the safety of others at all times.

Anyone observing anything they would consider as a safety hazard should report it immediately to the referee or a member of the pool staff.

Please make yourself aware of the emergency exits, which are clearly marked.

The floor areas to the safety exits must be kept clear at all times.

In the event of an incident or evacuation the staff from Harlow Leisurezone will take charge and direct public, officials and competitors as necessary.

Swimmers must wear suitable clothing and footwear on poolside.

Swimmers wearing wet clothing are **NOT** allowed in the spectator seating area.

Spectators must watch from the designated seat area, and not stand in front of the spectator area.

Glass containers of any kind are **NOT** permitted near poolside.

To increase room on poolside we would like to encourage swimmers to use the lockers provided.

2. Starting

All competitors please note the following:

It is the responsibility of coaches and team managers to ensure that all swimmers are competent to at least the standard of the "Swim England Competitive Start Award". Swimmers are reminded that they can start in the water as an alternative.

If there is a false start, you must continue with a shallow racing dive, you should not topple into the water head downwards as this is dangerous.

Over the top starts may be introduced by the referee.

3. Warm-Up Sessions

The starting blocks should not be used in warm up, swimmers should enter the water safely.

Swimmers may only dive in when ONE-WAY sprint lanes are made available in the designated lanes only.

During the warm up, odd lanes will swim in a clockwise direction and even lanes in an anti-clockwise direction. Swimmers must exit the pool at all times by the steps at either side.

For safety, lanes will be designated for warm up. Please follow the guide.
